

Arthoven is a new cozy art studio located in **Woensel XL** shopping center in Eindhoven. We organize art workshops for both children and adults in different languages, bringing people together through art.

We invite everyone to join our regular activities such as:

- **Sketch Wednesday**
- **Collage Friday Lab**

We are also currently enrolling participants for our **watercolor painting courses**.

In addition, we offer many workshops in different art techniques. You can find the full program on [ARTHOVEN.NL](https://arthoven.nl) — and we warmly invite you to come and experiment creatively with us.
